

Maxifun Super Crocodile Bouncy Castle

Double the fun

Give children an unforgettable day with the Maxifun Super inflatables. These bouncy castles are a combination of two hugely popular inflatables in the JB assortment: the Multifun and the Multiplay. We combined these two inflatables in a more compact model, but of course with the elements that make these bouncy castles so popular. The Maxifun Super crocodile has the entrance and the slide at the front and nice play obstacles on the inside. The bright colors and fun 3D figures in crocodile theme make it a real treat. With this you are guaranteed to catch customers eye!

Convenience and Service

Set up the Maxifun Super crocodile easily within 10 minutes. For example during a neighborhood party, birthday or other event. The slide combo is roofed so protects the children from rain and direct sunshine this makes this bouncy castle ideal for all weather circumstances. The Maxifun Super is compact and therefor easy to transport. The Maxifun Super comes with a blower, anchoring material, a transport bag and a clear manual. Everything complete for a beautiful experience.

Quality and guarantee

Our Maxifun Super is reinforced on multiple points and stitched multiple times. The strong, high quality, colorfast PVC lasts a long time and is easy to keep clean. The Maxifun Super therefore comes with a 5 year warranty. Because of this you supply your customers with years of fun.
