

Softplay Gameset Unicorn (11-piece)

Comprehensive Softplay Set available at JB Inflatables

Let the game begin! With soft play attributes, the possibilities are truly endless; from small to large and from basic to extensive. This Softplay Set offers various game options, but of course, kids can also let their imagination run wild. The set includes the following games: a hopscotch path, a mega-sized board game with a giant die, stepping stones, and Twister!

Order High-Quality Soft Play Products at JB Inflatables

Immerse yourself in the magical world of unicorns with the Softplay Set Unicorn. This extensive Softplay set consists of 11 play elements in various sizes and shapes. Children can play for hours with these cheerful foam blocks. We value quality and easy maintenance, ensuring that the Softplay materials last a long time. After playing, you can easily store the complete set in the accompanying convenient storage bag. The Softplay Set is available in 9 different themes.

Professional Softplay for sale at the leading inflatable manufacturer in Europe

For years, we have been known for our bouncy castles and everything inflatable. With our own developed Softplay assortment, we offer a safe play environment where children can unleash their imagination and energy. Softplay is often found in waiting areas, restaurants, museums, and indoor playgrounds. Which Softplay variant appeals to you the most?
