Jumping fun is guaranteed with an inflatable bottom in this striking bouncy castle! With a 1.1 kW blower, you can easily and quickly inflate the inflatable. At the top of the Cube, there are two plastic covers with attachment points and connections for items like disco balls and lighting. You can hang various types of lighting and decoration from the four D-rings in the ceiling for the ultimate party experience. Additionally, there is a separate space for a music box (40x40x60 cm). This Disco inflatable comes with disco lighting and included.

The inflatable is made of high-quality and robust PVC, making it durable and easy to keep clean. The bouncy castle is reinforced at multiple points and stitched multiple times. Take this festive bouncy castle everywhere and create the perfect inflatable party venue in no time!
