

Solid IPS Game table – Light Hunter

Who's the fastest? Play the Solid IPS Light Hunter

Sharpen your reflexes with the IPS Solid Light Hunter. The ultimate IPS game for anyone who loves speed, competition and fun! Two players go head-to-head: who can tap the glowing spots the fastest? With its striking LED lighting, sleek design and durable casing, this fixed game is a real crowd-puller. Perfect for young and old alike, and guaranteed to be a hit at any event. A game packed with action, where speed and reaction time make all the difference!

Compact, plug & play and always ready to use

The Light Hunter is a fixed play element that doesn't need to be inflated. Simply set it up, connect the IPS Smart Edition system, and the game is ready to go! Thanks to its compact size, this interactive attraction is perfect for indoor venues such as exhibition stands, shopping centres, canteens or classrooms. It can also be used outdoors. Please note: the IPS Smart Edition system is required and not included as standard.
