

Bouncedome Emoji Bouncy Castle

Bouncedome Emoji, the happiest emoji themed bouncy castle!

With the Bouncedome Emoji, you bring an explosion of fun to any event! This emoji themed bouncy castle is packed with colour, energy and recognisable smileys that instantly excite children. The round dome shape creates a cosy, covered play area and gives it a unique look at every event. The large grinning emojis at the front are guaranteed to put a smile on every face, while children can jump and play freely inside. This Emoji bouncy castle is a real eye catcher for any party, playground or school event.

Compact, covered and ideal for hire companies

The Bouncedome Emoji is a smart choice for any hire company: compact in size, quick to set up and suitable for both indoor and outdoor locations. Thanks to its covered design, children can keep playing comfortably even in less favourable weather. The Emoji bouncy castle is supplied as standard with a blower, transport bag and clear manual. Within minutes, this colourful attraction is ready for action, making it ideal for children's parties, community activities and events where you want to create a cheerful atmosphere.

JB quality with service you can rely on

At JB Inflatables, you choose both quality and reliability. All our bouncy castles are made from strong, hard wearing materials and are thoroughly tested before leaving our warehouse. You also benefit from a 5 year warranty, professional in house service and a large stock, ensuring fast delivery. With JB, you're not just choosing a top attraction, but a partner that thinks along with you.
