

Aqua Run Seahorse 9m

Extra water fun for every pool

This 9-metre obstacle course for use in a pool will deliver a splashing day of water fun. Obstacles to clamber on or between, a fast slide and a splashing design with a friendly seahorse: this pool run has it all. This fun inflatable object will provide a great time for kids.

Safety in the water

For years, JB has ensured its inflatable attractions can safely be used. We will provide you with an approved inspection certificate (NEN-EN 15649:2009), a blower, a Bravo air pressure gauge, a log and a clear user manual for all attractions. Their anchor points have to be fastened with appropriate anchoring materials to keep them in place. We supply everything you need in a complete package for a fantastic experience!

Premium quality by JB

Strong, high frequency welded PVC material of 900 gr/m², that is what our products are made of and that is how their quality is guaranteed. In addition, the material has a special protective coating that is resistant to influences of chlorine and other water properties. This means you will purchase a durable product that can be enjoyed for years to come. The Seahorse Pool Run comes with a 1-year warranty.

Purchase this spectacular Seahorse Pool Run and deliver a memorable experience for children!

More than 15,000 customers have already jumped for joy

For over 15 years, JB has made people around the world jump for joy. Thanks to our team of designers, developers and logistic staff we can always supply unique inflatable attractions in a grand way! That is exactly why our customers are assured of our professional service and delivery. Therefore, they tend to call us 'creators of greatness'.
